The House of Scindias: A Saga of Power, Politics and Intrigue Rasheed Kidwai 2021-06-07 Weeks before India announced a total lockdown to combat the Covid-19 pandemic in March 2020, the drama and governance coup in Madhya Pradesh political theatre was already speaking. Jyotiraditya Scindia dumped the Congress overnight for the Bharatiya Janata Party (BJP) bringing down the former from power in the state. Many saw the return of the prodigal grandson as the reunion of the political dynasty of Scindias under BJP's catch-all umbrella. Jostling to spill over, along with priceless jewels in the treasury of Jai Vilas palace — the Scindias' royal abode in Gwalior — are many carefully buried secrets. Some are best hidden away, such as the Gwalior monarchs' controversial role during the revolt of 1857. Others need to be kept out of sight for diplomatic causes, such as the Rajmata's excessive dependency on her 'Rasputin' and the resultant mistrust of her only son, Madhavrao. One of the bigger questions is the palace alleged and under-probed role in Mahatma Gandhi's assassination. It is perhaps because of these unsolved mysteries that curiosity about the Scindias — a family that has given India many a salesperson across party lines — continues to dominate India's public imagination. With political intrigue, palace conspiracies, cut-throat rivalry and an ugly public feud, betrayals and property wars fought in courts, and siblings that do not look eye to eye, the Scindias make tantalizing headlines. With a wealth of information about the Gwalior royals, The House of Scindias is their most definitive and revealing biography.

The Complete Book of Muslim and Parsi Names Maneka Gandhi 2004 `On The Day Of Qayamat You Will Be Called By Your Names And The Names Of Your Fathers. The Nehrus and the Gandhis Tariq Ali 1985

The Wandering Falcon Jamil Ahmad 2011-01-01 The boy known as Tor Baz—the black falcon —wanders between tribes. He meets men who fight under different flags, and women who risk everything if they break their society's code of honour. Where has he come from, and where will destiny take him? Set in the decades before the rise of the Taliban, Jamil Ahmad's stunning debut takes us to the essence of human life in the forbidden areas where the borders of Pakistan, Iran and Afghanistan meet. Today the 'tribal areas' are often spoken about as a remote region, a hotbed of conspiracies, drone attacks and conflict. In *The Wandering Falcon*, this highly traditional, honour-bound culture is revealed from the inside for the first time. With rare tenderness and perception, Jamil Ahmad describes a world of custom and cruelty, of love and gentleness, of hardship and survival; a fragile, unforgiving world that is changing as modern forces make themselves known. With the fate-defying story of Tor Baz, he has written an unforgettable novel of insight, compassion and timeless wisdom. It is true, I am neither a Mahsud nor a Wazir. But I can tell you as little about who I am as I can about who I shall be. Think of Tor Baz as your hunting falcon. That should be enough.

The Book of Kali Seema Mohanty 2009-07 One of the most unconventional yet immensely popular deities in the Hindu pantheon, goddess Kali essentially represents the dark and contrary aspects of the cosmos. Her naked form and association with violence, blood and gore challenge the very concept of divinity. Yet, over the centuries, she has come to represent a whole gamut of conflicting images—from bloodthirsty ogress to benign goddess. So today while she is venerated as Chamunda, a deity who verges on the macabre and grotesque, she is also adored in household shrines in one of her milder forms, Dakshina-Kali. It is this evolution of Kali—from her origin as a tantric goddess to her metamorphosis into a divinity in mainstream religion—that Seema Mohanty captures brilliantly in this book. Drawing upon a variety of sources—rituals associated with the worship of Kali, tales from the Ramayana, the Mahabharata, the Puranas, the Tantras and Agamas, folklore and films—she has succeeded in portraying in engrossing detail the myriad manifestations of the enigmatic deity that is Kali.

Why Loiter? Shilpa Phadke 2011 Presenting an original take on women's safety in the cities of twenty-first century India, *Why Loiter?* maps the exclusions and negotiations that women from different classes and communities encounter in the nation's urban public spaces. Basing this book on more than three years of research in Mumbai, Shilpa Phadke, Sameera Khan and Shilpa Ranade argue that though women's access to urban public space has increased, they still do not have an equal claim to public space in the city. And they raise the question: can women's access to public space be viewed in isolation from that of other marginal groups? Going beyond the problem of the real and implied risks associated with women's presence in public, they draw from feminist theory to argue that only by celebrating loitering—a radical act for most Indian women—can a truly equal, global city be created.

The Book Of Dog Hemali Sodhi 2022-01-17 There's nothing quite like the incredible relationship between a human and a dog. From the moment we lay eyes on an adorable puppy or a wonderful adult dog who becomes part of our life journey, we share innumerable moments of

Does the fundamental right to life include the right to livelihood and shelter? Where there is the right to live, is there also the right to die? How did Bhanwari Devi's Rape help define sexual harassment at the workplace? Here are the Supreme Court's ten pivotal judgements that have transformed Indian democracy and redefined our daily, lives. Exploring vital themes such as custodial deaths, reservations and environmental jurisprudence, this book contextualizes the judgements, explains key concepts and maps their impacts. Written by one of India's most respected lawyers, *Ten Judgements That Changed India* is an authoritative yet accessible read for anyone keen to understand India's legal system and the foundations of our democracy.

The Red Sari Javier Moro 2015 In the year 1965, Sonia Maino, a 19-year-old Italian student met a young Indian boy, Rajiv Gandhi, while they were both studying in Cambridge. She was born into a modest family in suburban Turin, where her father was a strict man who kept a close eye on his three daughters. Much to his chagrin, his painfully-shy middle daughter, of whom he was especially protective, fell in love with a man belonging to the most powerful family in India. This marked the beginning of a story unlike any other - of a carefree Italian girl who was compelled to take on the murky world of rajneeti. With information sourced from close friends and colleagues, this book examines how Sonia's courage, honesty and dedication have made her a leader in the eyes of one-sixth of humanity. From her idyllic childhood to her passionate love affair and

from her days as a docile daughter-in-law to her current status of being the only Indian politician to have refused prime ministership.

Truth, Love and a Little Malice Khushwant Singh 2003 Khushwant on Khushwant is irresistible... such is his skill as a writer, simple, lucid, unpretentious, This book has been well worth the wait. India today

Finger Pointing To The Moon Osho 2010-11-01 In Finger Pointing to the Moon: Talks on the Adhyatma Upanishad Osho draws on the ancient wisdom of this Upanishad to reflect on God, religion and the liberation of the self. Religion for him is not worship, devotion and prayer, but mumuksha, the deep longing for freedom from the fetters of everyday life that can lead a seeker on the path to enlightenment. When one reaches this state of kaivalya, the abode of truth and eternal bliss beyond mind and speech, one becomes unified with the God within oneself. Then one achieves true knowledge and true mastery over the self. These seventeen talks that Osho delivered at Mount Abu, Rajasthan, make this book a truly enriching guide for those seeking to look within and find answers to the enigmas of human existence.

Emergency Chronicles Gyan Prakash 2021-07-06 The gripping story of an explosive turning point in the history of modern India On the night of June 25, 1975, Indira Gandhi declared a state of emergency in India, suspending constitutional rights and rounding up her political opponents in midnight raids across the country. In the twenty-one harrowing months that followed, her regime unleashed a brutal campaign of coercion and intimidation, arresting and torturing people by the tens of thousands, razing slums, and imposing compulsory sterilization on the poor. Emergency Chronicles provides the first comprehensive account of this understudied episode in India's modern history. Gyan Prakash strips away the comfortable myth that the Emergency was an isolated event brought on solely by Gandhi's desire to cling to power, arguing that it was as much the product of Indian democracy's troubled relationship with popular politics. Drawing on archival records, private papers and letters, published sources, film and literary materials, and interviews with victims and perpetrators, Prakash traces the Emergency's origins to the moment of India's independence in 1947, revealing how the unfulfilled promise of democratic transformation upset the fine balance between state power and civil rights. He vividly depicts the unfolding of a political crisis that culminated in widespread popular unrest, which Gandhi sought to crush by paradoxically using the law to suspend lawful rights. Her failure to preserve the existing political order had lasting and unforeseen repercussions, opening the door for caste politics and Hindu nationalism. Placing the Emergency within the broader global history of democracy, this gripping book offers invaluable lessons for us today as the world once again confronts the dangers of rising authoritarianism and populist nationalism.

Sikh Baby Names Mandeep Kaur Dimpy 1999-05 Names Of Newly Born Specially Meant For Sikh People

Indira Gandhi Pupul Jayakar 1992-11-27 Indira Gandhi S Life Was Part Of The Unfolding History Of India, Intricately Woven With India S Past And Future. It (Became) Inevitable, Therefore, That Politics (Formed) A Backdrop To Her Public And Often Private Actions. Indira Gandhi S Life

The Madwoman in the Attic Sandra M. Gilbert 2020-03-17 Called "a feminist classic" by Judith Shulevitz in the New York Times Book Review, this pathbreaking book of literary criticism is now reissued with a new introduction by Lisa Appignanesi that speaks to how The Madwoman in the Attic set the groundwork for subsequent generations of scholars writing about women writers, and why the book still feels fresh some four decades later. "Gilbert and Gubar have written a pivotal book, one of those after which we will never think the same again."--Carolyn G.

Apprenticed to a Himalayan Master Sri M 2022-11-08 In this tell-all autobiography, Sri M writes about his fascinating journey as a young man from the southern coast of India to the mystical Himalayan Mountains. At the age of nineteen and a half, he felt an irresistible urge to go to the Himalayas in quest for his great Master. He finally met his Master at the Vyasa Cave, beyond the Badrinath shrine. After spending three and half years with his Master, wandering freely across the length and breadth of the Himalayan ranges, he was instructed to go back to live in the plains and lead a normal life. He started working for a living, fulfilled his social commitments and prepared himself to teach others all that he had learned and experienced. This book reveals the spiritual journey of a young lad from Kerala, who by his sincerity and dedication evolved into a living yogi. Sri M shares his knowledge of the Upanishads and spiritual insights born out of first hand experiences in his autobiography. Apprenticed to a Himalayan Master will make for an engaging and riveting read for those interested in the life and teachings of Sri M.

Animal Laws of India 1996 Compilation of central and state laws.

Sacred Animals of India Nanditha Krishna 2014-05-01 Animals are worshipped in India in many ways: as deities—the elephant-god Ganesha and the monkey-god Hanuman; as avatars—like Vishnu's fish, tortoise and boar forms; and as vahanas—the swan, bull, lion and tiger were all vehicles of major deities and are thus sacred by association. Some animals, like the snake, are worshipped out of fear. Birds such as the crow are associated with the abode of the dead, or the souls of ancestors, while the cow's sanctity may derive from its economic value. There are also hero-animals, such as the vanaras, and animals which were totemic symbols of tribes that were assimilated into Vedic Hinduism. Sacred Animals of India draws on the ancient religious traditions of India—Hinduism, Buddhism and Jainism—to explore the customs and practices that engendered the veneration of animals in India. This book also examines the traditions that gave animals in India protection, and is a reminder of

the role of animal species in the earth's biodiversity.

Dictionary of Sanskrit Names Integral Yoga Institute 1989 This long-awaited dictionary provides an extensive list of ancient, beautiful Sanskrit names, along with their significance and spiritual meanings. Numerous references to the classical scriptures of India are included to help in research and further study of a name. The spiritual qualities associated with each name, such as particular aspects of God, character traits, and spiritual virtues are highlighted with cross-references to other names having the same quality. The Dictionary of Sanskrit Names is very helpful in naming babies, understanding spiritual names, and as a resource book on Hindu mythology for scholars and researchers.

BHRIGU SANGHITA MAHARSHI BHRIGU 2015-01-09 Vedic texts in the famous ancient sage infinite wisdom and learning to cook from Bhrgu Oh - Preot is immortal treatise. Hrgu Code. Has created thousands of years ago astrology This unprecedented texts still retains its relevance and August, the aura of the man in the long run will only get the benefit. Thus it is highly useful for the general reader texts Had become. Astrology unknown and less educated - who also wrote this enough to be able to benefit.

Ideology and Identity Pradeep K. Chhibber 2018-08-24 Indian party politics, commonly viewed as chaotic, clientelistic, and corrupt, is nevertheless a model for deepening democracy and accommodating diversity. Historically, though, observers have argued that Indian politics is non-ideological in nature. In contrast, Pradeep Chhibber and Rahul Verma contend that the Western European paradigm of "ideology" is not applicable to many contemporary multiethnic countries. In these more diverse states, the most important ideological debates center on statism- the extent to which the state should dominate and regulate society- and recognition-whether and how the state should accommodate various marginalized groups and protect minority rights from majorities. Using survey data from the Indian National Election Studies and evidence from the Constituent Assembly debates, they show how education, the media, and religious practice transmit the competing ideas that lie at the heart of ideological debates in India.

How To Thrive In A Family Business Ajay Sharma 2021-08-23 What, according to you, is a family business? What are its benefits? Why do a majority of family businesses fail? Can a family business be turned to your advantage? Set around the backdrop of an enterprise that has been around for over a hundred years - the Baidyanath Group, these questions, and many more, are answered in this book on what makes family businesses tick specially beyond the third generation. As any business passes through generations and each generation passes through these various stages of life - Brahmacharya, Grihastha, Vanaprastha and Sanyas - the transition is not just difficult, but also painful, both financially and emotionally. The resultant losses of this generational paradigm are not only monetary, but also familial. Do family businesses suffer from elder son syndrome, or is early division seen as taboo? When to plan succession and should one part with ownership? Surprisingly, the business behaves as per the behaviour of the generation that manages it. Given an identical situation, the decision would vary as per the generation taking the call. Life is all about the choices we make, our decision, if right, becomes a 'virtue' for the family and the business. If not right, it becomes a 'sin'. The book serves as a guide to what not to do by every member and every generation of a family. Identifying thirty actions which are the biggest sins that hinder the prosperity and continuity of any family business, Ajay Sharma, a third-generation businessman, weaves his own experiences with in-depth research and knowledge on the subject of family business. He believes that this book will be helpful to everyone - not just the stakeholders of family businesses, but also the millions who work with these family businesses, people

who are the real lifeforce.

I Am a Troll Swati Chaturvedi 2016 Indian social media is awash with right-wing trolls who incite online communal tension and abuse anyone who questions them. But who are they? How are they organized? In this explosive investigation, conducted over two years, Swati Chaturvedi finally lifts the veil over this murky subject

Mother India Pranay Gupte 2012-02-15 The first major biography of Indira Gandhi covers the breadth and scope of 20th-century India and the woman who left her indelible mark on that troubled country. Both widely supported and bitterly opposed, she was eventually removed from office, only to make a stunning comeback.
