Phoebe Junior Margaret Oliphant 2002-04-17 Margaret Oliphant, one of the most prolific and popular Victorian novelists, essayists, and reviewers, has been compared both in her day and our own to George Eliot. Oliphant wrote domestic novels that richly represent the broad social, political, and religious contexts of Victorian England. The Broadview edition of Phoebe Junior, the last novel in Oliphant's Chronicles of Carlingford series, restores the earliest extant text. The supplemental materials provide a rich background for examining key nineteenth-century issues such as religion and church reform, gender and the woman question, society and politics. They include excerpts from contemporary novels and poetry; newspaper articles; reviews; essays; polemic on religion and church reform; materials on gender and the woman question, and on etiquette and dress.

After the Death of Don Juan Sylvia Townsend Warner 2021-03-25 'She has a talent amounting to genius' John Updike Don Juan, that notorious libertine, has disappeared. Has he been dragged down to hell by demons, as rumoured - or has he escaped? Doña Ana, the woman he tried to seduce, will stop at nothing to discover the truth. Set in a rural eighteenth-century Spain rife with suspicion and cruelty, and featuring a glorious cast of peasants, aristocrats and vengeful ghosts, this moving, surprising tragicomedy is also Sylvia Townsend Warner's response to the dark days of the Spanish Civil War. 'The kind of novelist who inspires an intense sense of ownership in her fans' Sarah Waters

The Echoing Grove Rosamond Lehmann 2013-08-01 Two sisters: Madeleine and Dinah. One husband: Rickie Masters. For many years now, Dinah, exotic and sensual, has conducted a clandestine affair with Rickie. Madeleine, calm and resolute, has accepted that her marriage has been of limited success. Rickie's sudden death makes widows of both sisters in this highly imaginative novel that explores with extraordinary insight the sublimity, the rivalry and the pain of personal relationships. 'She makes a mood, an atmosphere, which is never forgotten . . . The inner voice of women talking to themselves about their love affairs, knowing that it is hopeless, having to go ahead anyway, expecting the end as soon as it begins. That, of course, is what Rosamond Lehmann does best' Sunday Times

Loving And Giving Molly Keane 2015-01-22 In 1914, when Nicandra is eight, all is well in the grand Irish

estate, Deer Forest. Maman is beautiful and adored. Dada, silent and small, mooches contentedly around the stables. Aunt Tossie, of the giant heart and bosom, is widowed but looks splendid in weeds. The butler, the groom, the landsteward, the maids, the men - each as a place and knows it. Then, astonishingly, the perfect surface is shattered; Maman does something too dreadful ever to be spoken of. 'What next? Who to love?' asks Nicaranda. And through her growing up and marriage her answer is to swamp those around her with kindness - while gradually the great house crumbles under a weight of manners and misunderstanding.

Phoenix Fled Attia Hosain 2021-08-19 'There is so much to love and admire in these stories - their understanding of heartbreak, their attention to affection and love across many divides' KAMILA SHAMSIE 'Listen to me, child. You will be a woman soon and must behave well and with modesty. The Kazi will ask you three times whether you will marry Kalloo Mian. Now don't you be shameless, like these modern girls, and shout gleefully "Yes". Be modest and cry softly and say "Hoon".'. A marriage is arranged between a little servant girl and a middle-aged cook with an opium habit; an idealistic political worker faces disillusionment; a man returns from years studying in England to a wife he scarcely knows; a conventional bride has her first encounter with her husband's 'emancipated' friends. Telling of the lives of servants and children, of conflict between the old traditions and new ways, and exploring the human repercussions of the Muslim/Hindu divide, these twelve stories present a moving and vivid picture of life in India in the mid-twentieth century. To each episode Attia Hosain brings a superb imaginative understanding and a sense of the poignancy of the smallest of human dramas. Attia Hosain published only two books, but her writing has influenced generations of writers. Discover Spotlight on a Broken Column, Hosain's acclaimed only novel - a coming-of-age story set against the turbulent background of Partition, also published in Virago Modern Classics.

Thinking in New Boxes Luc De Brabandere 2013-09-10 When BIC, manufacturer of disposable ballpoint pens, wanted to grow, it looked for an idea beyond introducing new sizes and ink colors. Someone suggested lighters. LIGHTERS? With an idea that seemed crazy at first, that bright executive, instead of seeing BIC as a pen company—a business in the PEN “box”—figured out that there was growth to be found in the DISPOSABLE “box.” And he was right. Now there are disposable BIC lighters, razors, even phones. The company opened its door to a host of opportunities. IT INVENTED A NEW BOX. Your business can, too. And simply thinking “out of the box” is not the answer. True ingenuity needs structure, hard analysis, and bold brainstorming. It needs to start THINKING IN NEW BOXES —a revolutionary process for sustainable creativity from two strategic innovation experts from The Boston Consulting Group (BCG). To make sense of the world, we all rely on assumptions, on models—on what Luc de Brabandere and Alan Iny call “boxes.” If we are unaware of our boxes, they can blind us to risks and opportunities. This innovative book challenges everything you thought you knew about business creativity by breaking creativity down into five steps: • Doubt everything. Challenge your current perspectives. • Probe the possible. Explore options around you. • Diverge. Generate many new and exciting ideas, even if they seem absurd. • Converge. Evaluate and select the ideas that will drive breakthrough results. • Reevaluate. Relentlessly. No idea is a good idea forever. And did we mention Reevaluate? Relentlessly.

Creativity is paramount if you are to thrive in a time of accelerating change. Replete with practical and potent creativity tools, and featuring fascinating case studies from BIC to Ford to Trader Joe's, *Thinking in New Boxes* will help you and your company overcome missed opportunities and stay ahead of the curve. This book isn't a simpleminded checklist. This is *Thinking in New Boxes*. And it will be fun. (We promise.) Praise for *Thinking in New Boxes* "Excellent. . . While focusing on business creativity, the principles in this book apply anywhere change is needed and will be of interest to anyone seeking to reinvent herself."—Blogcritics "Thinking in New Boxes is a five-step guide that leverages the authors' deep understanding of human nature to enable readers to overcome their limitations and both imagine and create their own futures. This book is a must-read for people living and working in today's competitive environment."—Ray O. Johnson, Ph.D., chief technology officer, Lockheed Martin "Thinking In New Boxes discusses what I believe to be one of the fundamental shifts all companies/brands need to be thinking about: how to think creatively, in order to innovate and differentiate our brands. We need to thrive and lead in a world of accelerating change and this book challenges us to even greater creativity in our thinking. One of the best business books I've read in a long time."—Jennifer Fox, CEO, Fairmont Hotels & Resorts "As impressive as teaching new tricks to old dogs, *Thinking in New Boxes* is both inspirational and practical—a comprehensive, step-by-step guide to sharpening one's wits in order to harness creativity in the workplace."—Peter Gelb, general manager, Metropolitan Opera

*Lost and Found* Sarah Jakes 2014-04-01 Don't let your past keep you from a full future. Like every girl, Sarah Jakes dreamed of a life full of love, laughter, and happy endings. But her dreams changed dramatically when she became pregnant at age thirteen, a reality one compounded by the fact that her father, Bishop T.D. Jakes, was one of the most influential megachurch pastors in the nation. As a teen mom and a high-profile preacher's kid, her road was lonely. She was shunned at school, gossiped about at church. And a few years later, when a fairy-tale marriage ended in a spiral of hurt and rejection, she could have let her pain dictate her future. Instead, she found herself surrounded by a God she'd given up on, crashing headlong with Him into a destiny she'd never dreamed of. Sarah's captivating story, unflinchingly honest and deeply vulnerable, is a vivid reminder that God can turn even the deepest pain into His perfection. More than a memoir, *Lost and Found* offers hope and encouragement. Perhaps you, like Sarah, find yourself wandering the detours of life. Regardless of how lost you feel, you, too, can be found.

*The Dancing Girls of Lahore* Louise Brown 2006-07-03 The dancing girls of Lahore inhabit the Diamond Market in the shadow of a great mosque. The twenty-first century goes on outside the walls of this ancient quarter but scarcely registers within. Though their trade can be described with accuracy as prostitution, the dancing girls have an illustrious history: Beloved by emperors and nawabs, their sophisticated art encompassed the best of Mughal culture. The modern-day Bollywood aesthetic, with its love of gaudy spectacle, music, and dance, is their distant legacy. But the life of the pampered courtesan is not the one now being lived by Maha and her three girls. What they do is forbidden by Islam, though tolerated; but they are gandi, "unclean," and Maha's daughters, like her, are born into the business and will not leave it. Sociologist Louise Brown spent four years in the most intimate study of the family life of a Lahori dancing girl. With beautiful understatement, she turns a novelist's eye on a true story that beggars the imagination. Maha, a classically trained dancer of exquisite grace, had her virginity sold to a powerful Arab sheikh at the age of twelve; when her own daughter Nena comes of age and Maha cannot bring in the money she once did, she faces a terrible decision as the agents of the sheikh come calling once more.

*The Temples of Lhasa* Andre Alexander 2005 " *The Temples of Lhasa* is a comprehensive survey of historic Buddhist sites in the Tibetan capital of Lhasa. The study is based on the Tibetan Heritage Fund's official five-year architectural conservation project in Tibet, during which the author and his team had unlimited access to the buildings studied. The documented sites span the entire known history of Tibetan Buddhist art and architecture from the 7th to the 21st centuries The book is divided into thirteen chapters, covering all the major and minor temples in historic Lhasa. These include some of Tibet's oldest and most revered sites, such as the Lhasa Tsukla-khang and Ramoche, as well as lesser-known but highly important sites such as the Jebumgang Lha-khang, Meru Dratsang and Meru Nyingpa. It is illustrated with numerous color plates taken over a period of roughly 15 years from the mid-1980s to today and is augmented with rare photographs and reproductions of Tibetan paintings. This book also provides detailed architectural drawings and maps made by the project. Each site has been completely surveyed, documented and analyzed. The history of each site has been written - often for the first time - based on source texts and survey results, as well as up-to-date technology such as carbon dating,

dendrochronology, and satellite data. Tibetan source texts and oral accounts have also been used to reconstruct the original design of the sites. Matthew Akester has contributed translations of Tibetan source texts, including excerpts from the writings of the Fifth and Thirteenth Dalai Lamas. This documentation of Tibetan Buddhist temple buildings is the most detailed of its kind, and is the first professional study of some of Tibet's most significant religious buildings. The comparative analysis of Tibetan Buddhist architecture covers 13 centuries of architectural history in Tibet."--Publisher's website. Maggie Dupriv@s, recently "involuntarily separated from payroll" at a Silicon Valley startup, is whiling away her days in *The Dragonfly's Used Books*, a Mountain View institution, waiting for the Next Big Thing to come along. When the opportunity arises for her to network at a Bay Area book club, she jumps at the chance—even if it means having to read *Lady Chatterley's Lover*, a book she hasn't encountered since college, in an evening. But the edition she finds at the bookstore is no Penguin Classics *Chatterley*—it's an ancient hardcover with notes in the margins between two besotted lovers of long ago. What Maggie finds in her search for the lovers and their fate, and what she learns about herself in the process, will surprise and move readers. Witty and sharp-eyed in its treatment of tech world excesses, but with real warmth at its core, *The Moment of Everything* is a wonderful read.

Kissing Architecture Sylvia Lavin 2011-05-09 Kissing Architecture explores the mutual attraction between architecture and other forms of contemporary art. In this fresh, insightful, and beautifully illustrated book, renowned architectural critic and scholar Sylvia Lavin develops the concept of "kissing" to describe the growing intimacy between architecture and new types of art--particularly multimedia installations that take place in and on the surfaces of buildings--and to capture the sensual charge that is being designed and built into architectural surfaces and interior spaces today. Initiating readers into the guilty pleasures of architecture that abandons the narrow focus on function, Lavin looks at recent work by Pipilotti Rist, Doug Aitken, the firm Diller Scofidio + Renfro, and others who choose instead to embrace the viewer in powerful affects and visual and sensory atmospheres. Kissing Architecture is the first book in a cutting-edge new series of short, focused arguments written by leading critics, historians, theorists, and practitioners from the world of urban development and contemporary architecture and design. These books are intended to spark vigorous debate. They stake out the positions that will help shape the architecture and urbanism of tomorrow. Addressing one of the most spectacular and significant developments in the current cultural scene, Kissing Architecture is an entertainingly irreverent and disarmingly incisive book that offers an entirely new way of seeing--and experiencing--architecture in the age after representation.
