Disarm June Gray 2013-05-28 PART ONE OF JUNE GRAY'S DISARM SERIES Even the deepest secrets always find a way to surface... Twenty-six-year-old Elsie Sherman has had a crush on her brother's best friend, Henry Logan, since she was twelve years old. Unfortunately, Henry has only ever treated her like a younger sister, stepping into her brother's shoes after he was killed in action. That is, until one night, when one dance ignites a sensual fire between the two, leaving Elsie aroused and confused. Is she allowed to lust after her surrogate big brother who also happens to be her roommate? But Henry, an Air Force officer, has been harboring two secrets—one will bring them together and the other will tear them apart—and it is up to Elsie to decide if their relationship is worth fighting for. Don't miss Besiege, part two of the Disarm series!

One Report Robert G. Eccles 2010 "One Report" refers to an emerging trend in business taking place throughout the world where companies are going beyond separate reports for financial and nonfinancial (e.g., corporate social responsibility or sustainability) results and integrating both into a single integrated report. At the same time, they are also leveraging the Internet to provide more detailed results to all of their stakeholders and for improving their level of dialogue and engagement with them. Providing best practice examples from companies around the world, One Report shows how integrated reporting adds tre.

Looptail Bruce Poon Tip 2013-09-24 Can a company be cool, socially responsible ... and still make money? Welcome to the looptail. This is the extraordinary true story of Bruce Poon Tip and how, with nothing more than two credit cards and a burning desire to create an authentic, sustainable travel experience like nothing the world had ever seen, he created G Adventures, the world's most successful adventure travel company. G Adventures operates in more than 100 countries, on all seven continents, serves more than 100,000 customers every year - and is now a significant player in Australia. In this unique first-person account, Poon Tip reveals his unusual management secrets that allowed him to keep growing his company, his employees fully engaged and energised, and his customers extremely happy. This is a singularly stunning story of why community, culture and karma matter in business, and how one man's desire to do the right thing and generate profits can be blended into a win-win for all involved. In this special Australian edition, Bruce Poon Tip writes about the unique experiences and lessons learned which have fuelled the growth of his Australian business, and also about how Australia really could be better at presenting itself to the world's travellers. www.gadventures.com.au

Social Psychology of Inclusion and Exclusion Dominic Abrams 2004-06-02 This book is about the social psychological dynamics and phenomenology of social inclusion and exclusion. The editors take as their starting point the

assumption that social life is conducted in a framework of relationships in which individuals seek inclusion and belongingness. Relationships necessarily include others, but equally they have boundaries that exclude. Frequently these boundaries are challenged or crossed. The book will draw together research on individual motivation, small group processes, stigmatization and intergroup relations, to provide a comprehensive social psychological account of social inclusion and exclusion.

Professors as Writers Robert Boice 1990-01-01 Here is a proven book to help scholars master writing as a productive, enjoyable, and successful experience -- Author, Robert Boice, prepared this self-help manual for professors who want to write more productively, painlessly, and successfully. It reflects the author's two decades of experiences and research with professors as writers -- by compressing a lot of experience into a brief, programmatic framework. Like the actual sessions and workshops in which the author works with writers, this book admonishes and reassures. In the innovative book lies the path for sustained, highly productive scholarly writing!

Weak Without Him Lyra Parish 2014-03-30 "Love is an emotion that will destroy you if you let it. It can ruin your life or create a new one. Jealousy isn't much different." Jennifer Downs treads in dangerous waters. Finnley Felton is unaware. With the help of Lady Luck, they will make it through. Or will they? Texas is nothing compared to Vegas but among the bright lights and busy streets, Jennifer discovers who she is. Her life has changed, and for better or worse, she continues to live like tomorrow will never come. Sabotage. Hatred. Betrayal. Although love is beautiful and kind, it comes with consequences. Jennifer finds herself fighting. Fighting for her rights, for love, for Finnley, and for her life. Hearts may be broken. Lives will change. But the ultimate question remains: can love win all?

Project Based Teaching Suzie Boss 2018-09-20 It's no secret that in today's complex world, students face unparalleled demands as they prepare for college, careers, and active citizenship. However, those demands won't be met without a fundamental shift from traditional, teacher-centered instruction toward innovative, student-centered teaching and learning. For schools ready to make such a shift, project-based learning (PBL) offers a proven framework to help students be better equipped to tackle future challenges. Project Based Teachers encourage active questioning, curiosity, and peer learning; create learning environments in which every student has a voice; and have a mastery of content but are also comfortable responding to students' questions by saying, "I don't know. Let's find out together." In this book, Suzie Boss and John Larmer build on the framework for Gold Standard PBL originally presented in Setting the Standard for Project Based Learning and explore the seven practices integral to Project Based Teaching: Build the Culture Design and Plan Align to Standards Manage Activities Assess Student Learning Scaffold Student Learning Engage and Coach For each practice, the authors present a wide range of practical strategies and include teachers' reflections about and suggestions from their classroom experiences. This book and a related series of free videos provide a detailed look at what's happening in PBL classrooms from the perspective of the Project Based Teacher. Let's find out together. International Merchandise Trade Statistics United Nations 2011 This edition provides a comprehensive methodological framework for collection and compilation of international merchandise trade statistics in all countries, irrespective of the level of development of their statistical system. The conceptual framework reflects both the multipurpose nature of these statistics and concern for availability of the adequate data sources and data compilation procedures. It is intended primarily for the producers of international trade statistics, particularly the staff of national statistical offices and/or customs involved in the collection and compilation of merchandise trade statistics, but may be also useful to researchers and other users interested in better understanding the nature of trade statistics.
