Doc 9859 - OmniSMS

This fourth edition of the Safety Management Manual (SMM) supersedes the third edition, published in May 2013, in its entirety. The development of this edition was initiated after the adoption of Amendment 1 to Annex 19 to address the changes introduced by the amendment and to reflect the knowledge and experience gained since the last revision.

Thromboembolic Disease in Pregnancy and the Puerperium: Acute Management  
Acute Management This is the third edition of this guideline. The first edition was published in April 2001 under the same title (numbered Green-top Guideline No. 28) and the second edition was published in February 2007 and reviewed in 2010. Thromboprophylaxis during pregnancy and the puerperium is addressed in Green-top Guideline No. 37a.
