An Examination of the Impact of Criminological Theory on ...

16 FEDERAL PROBATION Volume 80 Number 3 (p 63). To a classical criminologist, the answer is simple: The benefits of law breaking (such as money, property, revenge, and status) simply outweigh the potential costs/consequences of getting caught and convicted. When viewed from a classical perspective, we are all capable of committing crime in a given situation, but we make a ...
